

Dear Barbara, (assistant or first line of contact)

My name is [Christina Marie](#) and I am seeking representation as a writer, director, producer for the Greater Los Angeles area.

I would like you to direct me to the Agent who is taking new submissions currently.

I have achieved representation in the past, but I currently live outside of LA and represent myself. My recent projects include: (State [SIGNIFICANT experience here with links](#)). I am ready to return to the LA market and with the proper agent, I feel I would be successful in my endeavor. (Be ready for them to dismiss you at this point as you DON'T live in LA. NEVER lie, saying you are in LA.)

Thank you very much for directing me to the correct person. I hope you enjoy my [demo reel](#).

Sincerely-
Christina Marie
